Dear Member

Following the postponement of the AGM earlier this year, the Trust are planning to hold this meeting outdoors on Monday 24th August at 2pm on Culag Park, Lochinver. The meeting will be held in accordance with social distancing guidance. An open sided gazebo will be erected for shelter should it be a wet day, however should the weather be particularly windy, the AGM may be postponed again.

Three Directors are standing down by rotation and are eligible for re-election. Another Director is standing down and retiring this year. There are therefore, four vacancies available. In accordance with our Articles of Association any Member who wishes to be considered for appointment as a Director should lodge with the company a written notice of his/her willingness to be appointed at least seven days before the AGM.

The AGM is an important meeting for the Trust in order that ordinary business can continue. The Directors thank you for your support during 2019-20 and hope that you will be able to come along on the 24th in order for the AGM to go ahead. Please can we ask that you let our Project Officer know whether you can attend in order for us to make plans for seating and shelter. All of this support at this time is much appreciated.

Yours sincerely,

Gwen Richards  
Company Secretary
